SINGLE PLAN FOR STUDENT ACHIEVEMENT 2010-2012

2010-2012 Single Plan for Student Achievement for **BARKER**

District Mission

The Board of Education of the Garden Grove Unified School District is committed to providing an educational program focusing on student achievement, high standards, and opportunities for all students to acquire the knowledge and skills necessary to live a productive life.

To meet this commitment, students will participate in a comprehensive curriculum designed to achieve the identified goals.

District Goal

It is the goal of the district to ensure that all students have the opportunity upon leaving high school to choose from a wide variety of options including four-year colleges and universities, technical education, or a skilled career. The opportunity to choose among these paths requires that students achieve proficiency as defined by state standards in core academic subjects (Goal 1) and achieve proficiency in the use of the English language (Goal 2). These proficiencies will make it possible for students to access rigorous high school courses and enable them to graduate ready for college and skilled careers.

*The following Plan components required by NCLB section 1114(b)(1)
are addressed in the Single Plan for Student Achievement as indicated below:*

SECTION A (Sections 1 – 4 will be addressed through the process of data analysis and completion of the Action Plan)

(1) Comprehensive Needs Assessment

Data Analysis

- Academic performance data to determine student needs
- Adequate Yearly Progress (AYP) performance data for all students and subgroups are used to develop the instructional support program
- California English Language Development Test (CELDT) data
- Benchmark exams

Program Analysis

- The relationship between professional development and success of implementation of core programs or interventions
- Evidence of implementation of monitoring activities in SPSA
- After school program data

Needs Assessment

- School climate and safety data, including California Healthy Kids Survey (CHKS)
- Parent Needs Assessment
- Input from stakeholders (advisory committees, parents, community, etc.)

(2) Goal Statements

- School goals to meet the identified academic needs of students
- A plan that is consistent with the LEA Plan

SECTION A (continued from previous page)

(3) Action Plan/ Schoolwide Reform Strategies (Planned Improvements in Student Performance)

Activities to reach school goals that improve academic performance of students includes:

- Opportunities for all students to meet proficient and advanced levels of achievement in state standards
- Use of scientifically based instructional methods and strategies that:
 - Strengthen the core academic program in the school
 - Increase the amount and quality of learning time and help provide an enriched and accelerated program
 - Deliver an instructional program that provides extended learning time and minimizes removing students from the regular classroom during school hours
 - Include strategies for meeting the educational needs of historically underserved populations
 - Addressing the needs of low-achieving students and those at risk of not meeting state academic content standards
 - Provide effective programs for English learners
 - Address how the school will determine if such needs have been met
 - Are consistent with the state plan and LEA plan
- Instruction by highly qualified teachers
- High-quality and ongoing professional development for teachers, principals, and paraprofessionals
- Strategies to attract highly qualified teachers to high-need schools
- Strategies to increase parental involvement – detailed in Section B
- Plans for assisting preschool children in the transition from early childhood programs to local elementary school programs – detailed in Section B (*N/A for intermediate and high schools*)
- Measures to include teachers in decisions regarding the use of academic assessments to provide information on, and to improve, the achievement of individual students and the overall instructional program
- Effective, timely assistance for students who experience difficulty in attaining the proficient or advanced level of academic content standards
- Coordination and integration of federal, state, and local services and programs
- Start and completion dates for each action

(4) Evaluation

- The means of evaluating the progress of programs toward accomplishing the goals, including determining whether the needs of all children have been met by the strategies used, particularly the needs of low-achieving students and those at risk of not meeting state academic content standards
- Monitoring of SPSA action plan and progress toward goals

SECTION B

Safe Schools Plan

- Includes plans for both required components: 1) People and Programs [School Climate] and 2) Places [Physical Environment]

School Parental Involvement Policy (SPIP)

- Strategies to increase parental involvement, including providing individual academic assessment results in a language the parents understand and an interpretation of those results
- Submission to the LEA of any parent comments of dissatisfaction of the SPSA or the parent involvement policy

ENGLISH LANGUAGE LEARNER ACTION PLAN (ELL PLAN)

Based on the 2009/10 CELDT report, 24.00% of English Language Learner students did not make growth due primarily to the area indicated with an ‘X’ below:

SCHOOL CLIMATE	
Anti-Bullying Program	<ul style="list-style-type: none"> Students will receive anti-bullying messages along with specific strategies for minimizing bullying.
PATH/Habits of a Scholar	<ul style="list-style-type: none"> Sixth grade teachers will implement the PATH program with students.
Positive Behavior Intervention and Support	<ul style="list-style-type: none"> Participate in the PBIS program and implement strategies and schoolwide system.
Student Goal Setting	<ul style="list-style-type: none"> A school wide student goal setting program will be implemented. Components will include data review, individual goal setting aligned with district goals, and recognition of student progress.
Student Mentoring	<ul style="list-style-type: none"> A school wide student mentoring program will be established. Specific students will be mentored by school employees based on identified need.
Building Relationships with Students, Parents, and Staff	<ul style="list-style-type: none"> Training will be offered to staff interested in building relationships with children, families, and staff. Additional training will be offered to schools which have had staff trained in Level I for the purpose of the moving from the individual to the school wide model.
10 Education Commandments	<ul style="list-style-type: none"> Training will be offered for the purpose of implementing the program at the school site. Teams may be created at the school site to provide parents with the opportunity to meet a variety of staff members who may offer multiple perspectives. Training will be offered for parents and staff to incorporate parents into the school-team model.
40 Developmental Assets	<ul style="list-style-type: none"> Training will be offered for the purpose of implementing the program at the school site. Determine how the 40 Developmental Assets program will be coordinated with existing parent education programs, such as 10 Education Commandments. Promote the new parent program and begin implementation during the school year.
Community Outreach Meetings	<ul style="list-style-type: none"> Parents and staff will attend meetings based on parent-driven topics of interest. Parents and staff will share the information with their principal, staff, and other parents. Schools may host site based Community Outreach Meetings, modeled after the district Community Outreach Meetings.
Gifted and Talented District Advisory Committee (DAC) Meetings	<ul style="list-style-type: none"> Parents from K-6 GATE sites and all 7-12 sites will attend quarterly meetings based on parent-driven topics of interest as related to the GATE program. Parents and staff will offer input on successes and concerns and share the information with their principal, staff, and other parents. The DAC members are instrumental in supporting other parents at GATE parent education and outreach events.
GATE Bridge Programs	<ul style="list-style-type: none"> New GATE students and parents are supported through GATE Bridge Afterschool Programs, GATE Parent Orientation, and the Jumpstart Program. The GATE Bridge Afterschool Program concurrently provides program orientation to newly identified students and their parents. The GATE Parent Orientation offers comprehensive training in the elements of the GATE program, as well as the needs and characteristics of gifted children. The Jumpstart Program provides a school and program orientation, an opportunity to meet the GATE teacher(s), with a goal to support a successful transition into the program.
Tobacco-Use Prevention Education (Grade Six)	<ul style="list-style-type: none"> Sixth grade students and staff will participate in the Tobacco-Use Prevention Education program. Teachers and Straight Talk counselors will co-present lessons from the Life Skills Training program as the primary prevention program. With district support, the school participate in TUPE related activities and programs.

ALL SCHOOLS

Part I General Expectations

Barker agrees to implement the following statutory requirements:

- The school will jointly develop with parents, and distribute to parents, a School Parental Involvement Policy that the school and parents agree on.
- The school will notify parents about the School Parental Involvement Policy in an understandable and uniform format and, to the extent practicable, will distribute this policy to parents in a language the parents can understand.
- The school will make the School Parental Involvement Policy available to the local community.
- The school will ensure accessibility and opportunities for parents with limited English proficiency, parents with disabilities, and parents of migratory students.
- The school will periodically update the School Parental Involvement Policy to meet the changing needs of parents and the school.
- The school will adopt the school's school-parent compact as a component of its School Parental Involvement Policy.
- The school agrees to be governed by the following statutory definition of parental involvement, and will carry out programs, activities and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way and meaningful communication involving student academic learning and other school activities, including ensuring –

- (A) that parents play an integral role in assisting in their child's learning;
- (B) that parents are encouraged to be actively involved in their child's education at school;
- (C) that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;
- (D) the carrying out of other activities.

SECTION C: OVERVIEW OF CATEGORICAL SERVICES

DIRECT SERVICES (K-12)

- Teachers on Special Assignment (TOSAs) provide guidance in (1) The planning process, (2) The review process, and (3) Writing the needs assessment. They meet with the Leadership Team, staff, and School Site Council to assist in analysis of the school program and exploration of possible solution procedures. TOSAs assist each school with staff development. This assistance may include helping determine what sessions are needed, finding resources to provide in-services, and/or conducting in-service sessions such as co-planning and co-teaching. Staff development may be scheduled after school, as a release day at the local school, or at the district office with other schools. Staff development topics include: implementation of standards-based instructional strategies, literacy development across the curriculum, mathematics, language acquisition for English Learners, other content area strategies, Systematic English Language Development (ELD), Constructing Meaning, Guided Language Acquisition Design (GLAD) training, and other supplemental Specially Designed Academic Instruction in English (SDAIE).
- School Testing Clerks work with school personnel to schedule and perform student skills testing at schools.
- Parent and Community Outreach works as a division of the Department of K-12 Educational Services to provide guidance, support, and training to teachers, administrators, and support staff. The activities of the Parent and Community Outreach include (1) Providing professional development opportunities in parent education programs, (2) Serving as a link to parent and community resources, (3) Developing and encouraging high-quality parent programs and parental involvement opportunities at school sites, and (4) Coordinating parent education and community outreach meetings.
- Tutors are provided for the Advancement Via Individual Determination (AVID) program in grades 7-12.
- Bilingual supplemental counselors in grades 7 through 12 provide support for students who are credit deficient, at risk of not graduating, and/or at risk of not passing the CAHSEE. Supplemental counselors meet with principals, assistant principals, counselors, and other school/district staff to share information and determine services to support at-risk students. In addition, supplemental counselors meet with students who have excessive absences, students not attending interventions, make home visits, present parent information sessions, and provide resources for students and families. They will also provide counseling to siblings of identified students in support of the whole family.
- Gifted students are identified through district screening and testing and given the opportunity to participate in special day classes, which provide for acceleration in the curriculum and extended learning experiences at selected school sites.
- The Boys & Girls Clubs of Garden Grove provides after school programs (ASES and ASSETs), Mc-Kinney-Vento services, and Tobacco-Use Prevention Education programs through a partnership with the district.
- TUPE/Title IV resources support the implementation of district-adopted substance abuse prevention programs: Positive Action (K-5), Life Skills (6-8), and Project Towards No Drug Abuse (high school). A district at-risk psychologist is available to work with schools and meet with families to address high-risk behaviors.
- Title I funds are utilized to support the 10th grade administration of the PSAT and Family PSAT nights at high schools. SAT preparation classes are offered to all high school juniors at a reduced rates.
- Straight Talk counselors provide counseling services at the elementary level.
- Intervention teachers and supplementary intervention curriculum materials have been funded to support students who are most at-risk. These teachers and materials have been funded to provide additional intensive supports and effective interventions to help all students meet the state academic standards. Funds will also be use for the development and implementation of Alternative Programs to increase opportunities for students in meeting academic standards and high school graduation requirements.

SECTION C: OVERVIEW OF CATEGORICAL SERVICES**

INDIRECT SERVICES (K-12)

- The Departments of K-6 and 7-12 Instruction and K-12 Educational Services coordinate centralized and district resources to assist each school in meeting project requirements and providing quality programs.
- The Department of K-12 Educational Services provides information regarding budget categories, legal expenditures, and compliance.
- The Assessment and Registration Center (ARC) assists principals and individual teachers in providing assessments, translation, personnel, materials, and staff development to meet the needs of English Learners.
- Counselor on Special Assignment (COSA) provides guidance for counselors, supplemental counselors, and administrators regarding placement, A-G and graduation requirements. COSA organizes and plans implementation of various programs related to college readiness, such as PSAT/SAT prep classes, AP, College Information Night, and scholarships. COSA also plans and implements support services for at-risk students, such as credit recovery, summer school, academic review, and the organization of supplemental counselors.
- The Department of Evaluation and Research assists schools in evaluating their ongoing programs as well as assisting with appropriate testing and year-end evaluation procedures.
- Gifted and Talented Education assists principals and individual teachers in identifying and providing for the needs of gifted and talented students.
- School sites may be provided a clerk to support the objectives of Title I programs.
- Other district services (i.e. music, art, libraries) supplement the school site's base program as appropriate to the school's needs and plans.

GENERAL FUNDED DISTRICT SERVICES FOR STUDENTS (K-12)

- All English Learners receive an English language development program designed to meet their instructional needs.
- Upon request of the school, a district child welfare and attendance worker makes home calls twice a month or as needed regarding health, attendance, etc.
- The vocal music teacher provides music experiences to students in grades 1-6.
- Instrumental music instruction is offered to students in grades 4-6.
- Students are screened for health problems and referred to appropriate services as necessary. A district health assistant provides health services for 3 ½ hours per day.
- At the elementary level, parent conferences are regularly scheduled to inform parents of student progress and to aid them in assisting their children at home, and at the secondary level conferences are scheduled as needed to inform parents of student progress towards graduation.
- The Speech and Language pathologist screens students referred by the teacher and/or Student Study Team. The pathologist consults with the teacher regarding the speech and language needs of students.
- Following Student Study Team meetings and referral for assessment, a school psychologist coordinates assessment for students and makes appropriate recommendations to an IEP team.
- Students who qualify for special education may receive instruction and/or designated services following the recommendation of an IEP team.
- The Office of Special Education coordinates services of the speech and language pathologists, school psychologists, adapted physical educational teachers, and other appropriate services in identifying and providing services for individuals with exceptional needs.

SECTION E: ESTABLISHMENT OF THE SCHOOL SITE COUNCIL (SSC)

At elementary schools, the council must be constituted to ensure parity between (a) the principal, classroom teachers and other school personnel and (b) parents of pupils attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must, in addition, be equal numbers of students and parents or other community members selected by parents. Teachers, other school personnel, parents and (at secondary schools) students select representatives to the council (Education Code 52012). The Council must have at least 10 members at elementary sites and 12 members at secondary sites.

Composition of an Elementary School Site Council

Composition of a Secondary School Site Council

Describe each of the following steps in the establishment of the school site council (Education Code Section 52012). Note that replacement of school site council members must be through peer selection, not appointment, unless the replacement is for the remainder of the school year.

a. Peer selection process: The council shall be composed of the principal and representatives of teachers selected by the school, other school personnel selected by other personnel at the school, parents of pupils attending the school selected by such parents, and in the secondary school, pupils selected by pupils attending the school. The peer selection process may include:

1. Ballot By Mail: In a letter, we include a form for self-nomination. After all the nominations have been received, a ballot is sent home with all students for parents to vote. Parents from last year's SSC handle this process and count the ballots.
2. Back To School Night Election: In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time. Ballots are prepared and a voting station set up for parents and guardians to vote. Parents from last year's SSC count the ballots.

b. Members' terms of office: Members will serve one- or two-year terms.

c. Procedure for replacing a member: The procedure for replacing a member shall be pre-determined. Recommended procedures include:

1. Mid-year elections may be held.
2. Members are replaced using a peer selection process.
3. Volunteers may be asked to complete the year, a replacement will be appointed, and elections will be held in October of the following school year.

SECTION E: ESTABLISHMENT OF THE ENGLISH LEARNER ADVISORY COMMITTEE (ELAC)

Each school with 21 or more English learners (EL) in attendance, regardless of language, must form a functioning English Learner Advisory Committee (ELAC) or subcommittee of an existing advisory committee. Education Code (EC) 62002.5 establishes the regulations that govern the ELAC.

Composition of English Learner Advisory Committee

COMPOSITION REQUIREMENTS

The percentage of parents of English learners on the committee must be the same or greater than the percentage of English learners at the school. There is no guidance that dictates the size of the committee, but should be of adequate size to fairly represent the population of English learners attending the school.

Describe each of the following steps in the establishment of the English Learner Advisory Committee (Education Code Section 62002.5).

a. Voting Process by parents of English learners: An election is held in which all parents of English learners have an opportunity to vote and in which the parents or guardians of English learners elect the members of the committee. The peer selection process may include:

1. Ballot By Mail: In the letter, we include a form for self-nomination. After all the nominations have been received, a ballot is sent home with each English learner for parents to vote. Parents from last year's ELAC handle this process and count the ballots.
2. Voice Vote: In the letter, we encourage all parents and school personnel to attend a meeting where information about ELAC will be provided and elections will be held at the school site. At this meeting, nominations are taken from the floor for ELAC membership and would be elected at that time by voice vote of parents and guardians of English learners. The required percentage of parents of English learners depends on the number of English learners at your school.
3. Back To School Night Election: In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time. Ballots are prepared and a voting station set up for parents and guardians of English learners to vote. Parents from last year's ELAC count the ballots.

b. Members' terms of office: Members will serve one- or two-year terms.

c. Procedure for replacing a member:

The procedure for replacing a member shall be pre-determined. Recommended procedures include:

1. Mid-year elections may be held.
2. Members are replaced using a peer selection process.
3. Volunteers may be asked to complete the year, a replacement will be appointed, and elections will be held in October of the following school year.

SECTION F: PLAN APPROVAL PAGE**

The school site council recommends this school plan and its related expenditures to the district governing board for approval, and assures the board of the following:

1. The school site council is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The school district assures “that school site councils have developed and approved a plan, to be known as the Single Plan for Student Achievement, for schools participating in programs funded through the consolidated application process, and any other school program they choose to include.”
3. School plans must be developed “with review, certification, and advice of any applicable school advisory committees.” The school site council sought and considered all recommendations from the following groups or committees before adopting this plan (Check all those that apply):
 - English Learner Advisory Committee (ELAC)
 - School Advisory Committee (SAC)
 - Community Advisory Committee (CAC) for Special Education Programs
 - Gifted and Talented Education (GATE) Program Advisory Committee
 - Other (please list) : e.g., School Safety Planning Committee, District/School Leadership Team (DSLTL)
4. Any plans required by programs funded through the consolidated application must be consolidated into a single plan.
5. The content of the plan must be aligned with school goals for improving student achievement.
6. The school site council reviewed the content requirements for school plans of programs in this Single Plan for Student Achievement and believes all such content requirements have been met, including those found in district governing board policies and in the LEA Plan.
7. The plan must address how Consolidation Application funds will be used to “improve the academic performance of all pupils to the level of the performance goals, as established by the API and AYP.”
8. The plan must be “reviewed annually and updated, including proposed expenditures of funds allocated to the school through the consolidated application, by the school site council.”
9. This school plan is based upon a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated goals to improve student academic achievement. School goals must be based upon “an analysis of verifiable state data, including the Academic Performance Index (API), Adequate Yearly Progress (AYP), and the English Language Development test, and may include any data voluntarily developed by districts to measure pupil achievement.”
10. The school site council reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the school plan requiring board approval.

This school plan was adopted by the school site council at a public meeting on: February 17, 2011
