SINGLE PLAN FOR STUDENT ACHIEVEMENT 2010-2012

# 2010-2012 Single Plan for Student Achievement for RIVERDALE

## District Mission

The Board of Education of the Garden Grove Unified School District is committed to providing an educational program focusing on student achievement, high standards, and opportunities for all students to acquire the knowledge and skills necessary to live a productive life.

To meet this commitment, students will participate in a comprehensive curriculum designed to achieve the identified goals.

## District Goal

It is the goal of the district to ensure that all students have the opportunity upon leaving high school to choose from a wide variety of options including four-year colleges and universities, technical education, or a skilled career. The opportunity to choose among these paths requires that students achieve proficiency as defined by state standards in core academic subjects (Goal 1) and achieve proficiency in the use of the English language (Goal 2). These proficiencies will make it possible for students to access rigorous high school courses and enable them to graduate ready for college and skilled careers.
